1. Song: Rattlesnake by Tsar B

I said 'you go boy, you go places my love
 I said I don't mind
 But that's a lie and you know
 I'd rather take the boat, kiss you
 On the water, on the water
 Through the water

Hmmm i like nobody
 Hmmm rattlesnake
 Woah-woa oh i like nobody
 Woah-woa oh

Lemme bathe here let me stay
 In this hot water
 Deep water, deceptive water
 What are you thinkin'
 Don't walk away without
 Without fearing never ever coming back here

Hmmm i like nobody
 Hmmm rattlesnake
 Woah-woa oh i like nobody
 Woah-woa oh

I said 'you go boy', you go places my love
 I said I don't mind
 But that's a lie and you know
 I'd rather take the boat, kiss you
 On the water, on the water
 Through the water

Hmmm i like nobody
 Hmmm rattlesnake
 Woah oh oh i like nobody
 Woah oh oh i like nobody

Rattlesnake i like nobody
 Woah oh oh woah oh oh
 I like nobody rattlesnake
 I like nobody woah oh oh oh

2. Song: La Vita by Beverly Glenn-Copeland

Per amore
 Ascolta il cantore
 Lui che canta
 Che la vita e bella
 Pace, pace
 La vita e dolce
 Grazie, grazie
 Dal cuore, grazie

And I work and I work all day and night
 I wonder if I'm ever gonna get it right
 I push and I push to get ahead
 I know I gotta make my daily bread (ascolta il cantore)

I know I don't have time to lose
 I wonder if I really have time to choose
 I barely have time to shed a tear
 I hardly have time to shake the fear (lui che canta)

And the body says, "Remember you gotta breathe"
 The body says, "Take the time to grieve"
 The mind says, "Let the silence flow"
 The mind says, "Allow yourself to grow" (che la vita e bella)

The spirit says, "Cast your eyes above"
 The spirit says, " Fill your heart with love"
 The heart says, "Seek the light within"
 The heart says, "Let the dance begin" (pace, pace)

And my mother says to me, "Enjoy your life"
My mother says to me, "Enjoy your life" (la vita e dolce)
My mother says to me, "Enjoy your life"
My mother says to me, "Enjoy your life" (dal cuore, grazie)

Per amore
Ascolta il cantore
Lui che canta
Che la vita e bella
My mother says to me, "Enjoy your life, darling" (pace, pace)
